OPPORTUNITIES

2021-22

Growing Together:

The MPC Education Team's mission is to introduce the person of Jesus Christ, as Lord, and to provide the tools to deepen and enrich that relationship, so that every individual will become renewed, more whole, more fully the person they were created to be; that they will see themselves and the world around them, through the eyes of Christ and find their call to be ambassadors of reconciliation.

Those tools will include, Bible Studies, both in Small Groups and Sunday Morning classes; Reading/Discussion Groups for both Christian fiction and non-fiction; the F3 (Faith, Food and Fellowship) Midweek Dinner/Saturday Brunch Seminars, focused on excellent theological teaching (currently dependent on appropriate covid protocols) and seminars/classes such as spiritual/emotional wellness; becoming Christ's ambassador to those around us; how we engage with other cultures, locally and around the world and so much more.

GOSPEL OF JOHN

Sunday Mornings Art Angst

Meets Weekly . MPC Discipleship Center . NE Classroom

The gospels of Matthew, Mark, and Luke describe the kingdom of God coming in the person of Jesus and how humans of all races may enter that kingdom through faith in Christ. John's gospel describes a pre-existent Jesus, equal with the Father, present at the beginning of the universe and the one through whom creation happened. John's gospel seeks to answer the question "who is Jesus"? John describes what it looks like when God the Son comes to dwell among his people. As our class in John continues, we will take up where we left off: John 19:1.
